

LWR Pickleball Club News: December 2020

Membership:

Continues to be strong. Thank you for your support during these times.

League:

League and tournament play are on hold at this time due to COVID restrictions on gatherings. We will reinstate as soon as each community is open to outside play.

Events:

We will be hosting some free clinics with round robin play at the LWR High School as soon as I can work out an agreement with County Parks to use the courts.

Lakewood Ranch High School Courts Play:

1. ALL five courts are open.
2. Social distancing is in order.
3. Please sub in 2 when waiting, or 4-on 4-off when busy.
4. Place your paddle in the holder behind the court you want to play. Let's keep pickleball a welcoming community in LWR.
5. Please use [Play Time Scheduler](http://www.lwrpickleballclub.com) at www.lwrpickleballclub.com to schedule your groups. Remember this is not a court reservation system. You are not entitled to shut out others when waiting.

Sponsorships:

We are offering business sponsorships for a yearly \$200 donation that will be placed on our main web page. If you know of anyone interested in being a pickleball club supporter, please ask them to contact me.

Have a Happy Holiday to all - stay healthy and safe.

Bob Haskin, President, IPTPA, PPR Certified Instructor, Team Onix, Lessons available...
